HISTORICAL NOTE	The ANF(Victorian Branch) Maternal and Child Health Special Interest Group began life as the Infant Welfare Section of the Royal Victorian College of Nursing (1942). It commenced producing a Newsheet c.July 1960 to communicate with members who were Infant Welfare Nurses. The Newsheet/Newsletter acted to advise members about appointments and resignations from Infant Welfare Centres, Annual meetings and other business of the Section and the RVCN, and commented on latest developments in the field of maternal and child health.

ACCESS CONDITIONS	Open
NOTE ON COLLECTIONS	<p>This almost complete set of the <u>Newsheet</u> (later the <u>Newsletter</u>) was collected by a member, Miss Barbara M Potter, and transferred to Archives on 17 November 1994. Early issues contain a regular list of the resignations and appointments of Infant Welfare Nurses to various posts around Victoria; Annual Reports and reports of conferences; articles and so on. They are probably of interest for their reporting on general RVCN/RANF issues as much as for infant welfare ones.</p> <p>Also included in this collection are a few issues of the <u>Maternal and Infant Health Newsletter</u> issued by the Victorian Health Commission.</p>
