HISTORICAL NOTE	<p>Drug Houses of Australia Ltd. (D.H.A.) was formed in 1930 (registered in Melbourne in 1929). The company was an amalgamation of a number of leading pharmaceutical companies at that time. D.H.A. Ltd. existed as a holding company for 5 Associated (Trading) Houses in 5 States. The Associated (Trading) houses were: A.M. Bickford & Sons Ltd., Adelaide and Brisbane; Elliotts & Australian Drug Pty. Ltd., Sydney; Felton, Grimwade & Duerdins Ltd., Melbourne; Felton, Grimwade & Bickford Ltd., Perth; Taylors, Elliotts & Australian Drug Pty. Ltd., Brisbane, Rockhampton and Townsville.</p> <p>It took 21 years for complete amalgamation of seven companies, including the companies above, and J. Bosisto & Co. Pty. Ltd., under the D.H.A. Ltd. label. (see J.R. Poynter, pp.161-3).</p> <p>D.H.A. Ltd. continued to expand as a pharmaceutical maker and distributor until the late 1960s. In late 1968 D.H.A. Ltd. was taken over by Slater, Walker Security Ltd. and was ASX delisted from 7 May 1969. It operated as a Slater Walker Australia (SWA) subsidiary, DHA Pharmaceuticals Pty. Ltd., until 1974, when SWA phased out its wholesaling activities, which had been loss making for some years. (see John Grimwade, p.65)</p> <p>Published Sources on D.H.A. history: <i>To the Shareholders: Drug Houses of Australia Ltd.</i>, Sydney: Pratten Bros., c. 1937. <i>The Birth of D.H.A.: Historical records of Drug Houses of Australia Ltd.</i> by H.M. NOTE ON COLLECTIONS	The collection includes D.H.A. predecessor and constituent companies, but these records are not complete. The records of previous companies appear to have been retained as part of the D.H.A. record keeping system, and were transferred to UMA with the D.H.A. archive in 1975
RELATED COLLECTIONS	D.H.A. records in Sir Russell Grimwade and Sir Andrew Grimwade papers
NOTE ON LISTING	The records listed here include the records of D.H.A. predecessor and constituent companies. These companies have been treated as series within the D.H.A. archive (see note on collections above) and brief historical notes on each company are included where they have been able to be determined. The list is arranged chronologically where possible by date of foundation of these predecessor and constituent companies. As the records are not complete, note that the date range of the records held from each company is not the same as the date of company foundation in most cases. Note also that records created by D.H.A. thus appear toward the end of the list as Series 20 - 26
