**HISTORICAL  
NOTE**

This collection contains documents created and gathered by John Ellis in the course of his activities in the anti-Vietnam War and Peace Movements, 1970-1974. During this time he worked as a typesetter at the Herald Gravure Printers and was thus able to produce many leaflets and publications for CICD. He was involved as chair of the Moorabbin Peace Action Committee, affiliated to CICD. The collection is small and incomplete but affords a view of suburban peace activism and general voluntary community groups concerned with social issues, as well as of John Ellis' specific involvement and concerns.
