Information and educative workshops were organised in various country locations, including Rosebud, Geelong and Mildura, around issues such as equal pay as well as skill sharing workshops on how to write submissions, lobby for funding and contact the media so that women could learn how to mount successful campaigns on their own behalf and at the same time consolidate women's networks round Victoria.</p> <p>Unfinished Business was abandoned as a project once the money ran out. This collection is No.94 of the Victorian Women's Liberation and Lesbian Feminist Archive</p>
