**THE UNIVERSITY OF MELBOURNE ARCHIVES**  
**AUSTRALIAN ECONOMIC REVIEW COLLECTION**

**ARCHIVIST'S NOTE**

The following files and their headings have been retained as they were originally created according to the author of the article or by subject. The papers were submitted to the Australian Economic Review for consideration to be published. The folders usually contain correspondence chronicling the negotiation process; including letters of acknowledgment, correspondence with referees, referee's comments, correspondence between editor and author and copies of letters of rejection or acceptance. The first draft of the paper originally submitted papers that were rejected have been kept. The final published article after the reviewer's suggestions and remarks and author's revisions have not been retained and can be found in the relevant edition of The Australian Economic Review. The miscellaneous files arranged by subject are not substantial and include correspondence and material involving Business Review Weekly, students of economics, IAESR Conferences, surveys, style guide for referees and authors. This collection is not complete, the date range spans from 1981 to 1991
