HISTORICAL NOTE: The company was formed with a capital of £10,000 in 2000 shares of £5. It held three different registrations which were amalgamated on 28 Jan 1864. By the end of 1865 the mine was employing about 252 men in the various leads. The works were on Smythes Creek, Scarsdale. On 1 Oct 1867 the mine was flooded for twelve days leading to loss of production which from the beginning of 1863 to end 1866 totalled £34,316. Richer dirt was being recovered in late 1867 but was "cemented" causing slower recovery of gold but this was overcome in early 1868 and plant was bought from the closed Golden Empire Company.
