MAIN ACTIVITY: Pastoralist.

INTRODUCTORY NOTE:

Mr. Selwyn Scott's great-grandfather, Andrew Scott of Glasgow, arrived at Williamstown, Port Phillip, on January 30th 1839. He took licences for the Mount Boninyong run in 1840 and the Warracknabeal run in November 1845. His sons Robert and Andrew were admitted to partnership at Mount Boninyong in January 1847. They continued in partnership following his death on April 6th 1853.

Both stations were sub-divided. In March 1870 Robert took Warracknabeal East and Andrew Junior took Warracknabeal West. The licences for these runs were relinquished in 1863. The runs were then thrown open to selection. The Scott brothers sold their pre-emptives in 1867. ( Alex. Henderson, Early Pioneer Families of Victoria and Riverina. p. 213. Note: Andrew Scott Jr. records only his own pre-emptive sale in A Statement of the Genealogy of the Scott Family, no. 1 in list of records below.)

Subsequent to relinquishing the Warracknabeal runs the Scott brothers sub-divided Mount Boninyong. The portion known as Yuulong was taken by Andrew. This is now held by his grandson, Selwyn Scott, who has transferred the surviving records of the family, listed below:
