RECORDS RECEIVED INTO CUSTODY

NAME: Notebooks and Diary of Mr Ted Tripp. Moscow 1930-2.
TRANSFEROR: Mr Ted Tripp, c/- Victorian Labor College, Melbourne Trades Hall.
DATE OF TRANSFER: 22 April 1976.

BRIEF

DESCRIPTION:

These notebooks represent the research and study undertaken by Mr Tripp as an Australian Communist student in Moscow between 1930-2. In addition to defining the nature of subjects offered to foreign students in the U.S.S.R., they provide valuable information on the theoretical standards of ideological training during the Comintern's "Third Period".

The diary records observations of industry and politics in Russia during these years, as well as what appear to be cryptic notes on a series of C.P.A. Central Executive Meetings, undated but probably 1929-30.
