

THE UNIVERSITY OF MELBOURNE ARCHIVES

NAME OF COLLECTION	Boyd, Robin
ACCESSION NO	1974.0039
CATEGORY	Business, individuals
ACTIVITY	Architecture
DATE RANGE	1938-1973
SIZE OF COLLECTION	One plan drawer, Mounted images
HISTORICAL NOTE	Boyd was a seminal Melbourne modern architect, product of a celebrated artistic family and partner in Grounds, Romberg and Boyd. He wrote 'Australia's Home' (1952), 'The Australian Ugliness' (1960), 'The Puzzle of Architecture' (1960). In 1973, Patrick McCaughey organised an exhibition at the Newcastle City Art Gallery and the University of Melbourne Gallery of a large collection of photographic prints of a selection of Robin Boyd's important buildings. It was assembled as a posthumous travelling exhibition.
DATE OF TRANSFER	1 September 1974
ACCESS CONDITIONS	Access: Open
DESCRIPTION	Architectural Plans and Drawings; Photographic prints documenting Robin Boyd's work assembled for the posthumous travelling exhibition 1973 arranged by Patrick McCaughey. The photographer was Mark Strizic.
NOTE ON LISTING	Architectural drawing dates and illustrator have been included when available. Series 2 is comprised of a broken number sequence. It is possible that the numbers refer to the numbers assigned the images in the exhibition. Images without numbers, originally marked 'no label' have been assigned a letter.
LISTED BY	Sophie Garrett and Georgina Ward
DATE	April 2009, November 2011

Portrait of Robin Boyd by Mark Strizic, published in Living in Australia

2/2 is a detail from this portrait
