

	THE UNIVERSITY OF MELBOURNE ARCHIVES
NAME OF COLLECTION	Prof. John Francis Lovering
ACCESSION NO	98/65, 99/39, 102/54, 104/37, 103/114, 107/35
CATEGORY	University, Individuals
ACTIVITY	Academics – Geology
DATE RANGE	1930, 1956-1961, 1970-2006
SIZE OF COLLECTION	94 boxes in total & 1 parcel
HISTORICAL NOTE	<p>Professor John Lovering AO, FAA, FTSE was born 27 March 1930 in Sydney NSW. Educated at Canterbury Boys' High School, he was awarded a NSW Public Service Scholarship 1948-1951. He completed a BSc in 1951 and MSc in 1953, and was assistant Curator at the Australia Museum Department of Mineralogy & Petrology. He completed his PhD at the California Institute of Technology in 1956, working as Research Fellow & Fellow from 1956-1964. He was Dean of Science & Professor of Geology at University of Melbourne 1969-1987 and Vice-Chancellor & Professor of Geology at The Flinders University Of South Australia 1987-1995. Deputy Vice-Chancellor (Research) at University of Melbourne (1985-1987). Awarded Doctor of Science degree <i>honoris causa</i> (Hon DSc) from Flinders University 1995 & from University of Melbourne 1999. He formed Geotrack International Pty Ltd to market a new petroleum exploration technique. He has been Chairman of a number of public & private company boards, & served on national & international scientific & government committees including President of the Board of UNESCO International Geological Correlation Programme (1985-1987), Vice-President of the International Union of Geological Sciences (1990-1996), Chair of the Australian Antarctic Science Advisory Committee, President of the Geological Society of Australia (1978-1980) & President of the Australian Geoscience Council (1985-1986). He was a member of the 1978 & 1987 Australian National Antarctic Research Expeditions. He was President of the Murray-Darling Basin Commission 1994-1999. He was Chairman of the Environment Conservation Council (Victoria) & Australian National Seismic Imaging Resource in 2000.</p>
DATE OF TRANSFER	
ACCESS CONDITIONS	Open except for Southern Rural Water material where the researcher must request permission of SRW to research the files.

DESCRIPTION	Papers relating to Wallaby Club, World Bow Tie Club, Teratech International Pty Ltd, Office for Environmental Programmes (Unimelb) 2003, University College Council 2003, Personal correspondence & speeches 1999-2003, Australian Academy of Tech Sciences & Engineering, Box-Ironbark National Park, Marine National Park, Dookie Biosolids Conference 2003, Wilson's Promontory National Park & Corner Inlet National Park Draft Management plans, Gippsland Integrated Natural Resources Forum, Australian National Seismic Imaging Resource, Australian Academy of Science National Committee for Sustainability, Centre for Water & Landscape Management (Unimelb), Goulburn Valley Initiative, Techtonics Special Research Centre Advisory Board, Roger Peacock
