Creator's Historical Note (John) Malcolm Fraser was born on 21 May 1930 in Melbourne. The Fraser family lived in NSW before moving to 'Nareen', a sheep station in western Victoria, in 1943. Malcolm Fraser attended Tudor House School in NSW (1940-1943) and Melbourne Grammar (1944-1948). In 1949 he was admitted to the University of Oxford to study 'Modern Greats' (politics, philosophy and economics). Malcolm Fraser was elected Liberal member for Wannon in Western Victoria in 1955. He gained his first Cabinet post as Minister for the Army in 1966 and later became Minister for Education and Science (1968-1969 and 1971-1972) and Minister for Defence (1969-1971). He became leader of the Liberal Party in March 1975, and in November was appointed caretaker Prime Minister following the dismissal of the Whitlam government. He served as Prime Minister until 1983. Following his political career, Malcolm Fraser has maintained a role in world affairs, as Co-Chair of the Commonwealth Eminent Persons Group on South Africa (1985-1986) and Chair of the UN Secretary-General's Expert Group on African Commodity Issues (1989-1990). In 1987 he founded CARE Australia, the country's largest non-political, non-religious overseas aid organisation. In 1997 he led a Commonwealth Observer Mission to Pakistan to monitor the national elections. Malcolm Fraser remained actively interested in issues such as human rights and the rule of law until his death on 20 March 2015.

Scope and Content of Collection/Series

Electorate correspondence. This is one of two series of correspondence of J M (Malcolm) Fraser relating primarily to representations from individuals or interest groups associated with his constituency, the electorate of Wannon in Victoria's Western District. A significant number of the representations, however, originated from elsewhere and are not, strictly speaking, 'electorate'. The series covers Mr Fraser's entire 28 years in federal politics (1955-83), although most records date from the early 1960s. The second series (National Archives of Australia Series M1332) is arranged by name of correspondent (alpha-numerical). This series is arranged by file title (lexicographical). The series is in three distinct sets. The first covers Mr Fraser's years as a backbencher until his first portfolio appointment (1955- 66). The second covers his Ministerial years in the portfolios of Army (1966), Education and Science (1968-69 and 1971-72) and Defence (1969-71), including a six-month period when he was again a backbencher (March-August 1971). The third set relates to the period when Mr Fraser was Prime Minister (1975-83). The representations cover a very wide range of subjects including defence and national service; immigration and primary industry. A number of items are currently held at the National Archives of Australia (see list for details). Formerly National Archives of Australia series M1274.
