| NAME OF COLLECTION | LIBERAL PARTY OF AUSTRALIA (VICTORIAN DIVISION) |
| ACCESSION NO | 2001.0071 |
| CATEGORY | Community and Political, organisations |
| ACTIVITY | Political Parties |
| DATE RANGE | 1946 - 1993 |
| SIZE OF COLLECTION | 19.89 metres (117 boxes) |
| HISTORICAL NOTE | <p>Disunity and weakness in the non-Labor parties led federal opposition leader R.G. Menzies to call an October 1944 conference, at which 18 organizations were represented [listed in Katharine West's <i>Power in the Liberal Party</i> (1965, p.221, n.33)] - though not the Country Party, which chose to maintain its separate identity. Menzies emphasised the need for an extra-parliamentary organization and an Albury conference of December 1944 set about establishing a framework and drafting a constitution. Public meetings were called to establish grass roots branches; in Victoria, these meetings commenced February 1945, and when 130 branches had been formed, a conference of 2 delegates from each met in Melbourne in June.</p> <p>Two notable features of the Victorian organization are provision for equal representation of men and women at all levels, and requirement that at least half of State Executive be members of country branches. First electoral victories were in 1947 in W.A. then in Victoria, and in 1949 the Party began a 23-year term as a federal coalition government. In Victoria, it was known as Liberal and Country Party 1949-64.</p> |

| NOTE ON COLLECTIONS | <p>The files in this list were originally boxed by the Liberal Party (Victorian Division) as they ceased to be current, in a numerical sequence from number 1 on. The files themselves were therefore boxed in a random order, and later conceptually rearranged as in this Finding-Aid.</p> <p>Only a proportion of the boxes were transferred to University of Melbourne Archives in 2001. Some were retained and transferred in 2005, and some were not transferred at all. The box numbers in this Finding Aid are not in numerical order but in the conceptual order based on file content and date range.</p> <p>One hundred and seventeen boxes numbered 1 to 177 are listed in the Finding Aid.</p> |
| | |
| NOTE ON LISTING | <p>This listing is based on a version provided by the Liberal Party (Victorian Division) which was later combined with a list of the 2005 transfer of Party records which was not finalised. In 2011, the draft composite list was separated into two accessions again to enable the 2001.0071 list to be published online.</p> |
