Love with an uninhibited aim was originally full sexual love and in men's subconscious minds it is still. But I call them the sensual and the anti-inhibited man, reach all beyond the family and create new bonds with others who were before strangers & desolate love leads to the forming of new families, uninhibited love to friendship, which are valuable culturally because they do not entail many of the limitations of marital love — for instance, its exclusiveness.

73. The next discord is caused by women, who soon become antithetical to cultural trends and spread around them their conservative influence — the women who, at the beginning laid down the foundations of culture by the appeal of their love. Women represent the interest of the family and sexual life; the work of civilization has become more and more men's business; it confronts them with ever harder tasks, compels them to sublimations & mistreatment which women are not easily able to achieve.
not an unlimited amount of mental energy at his disposal, he must accomplish his tasks by distributing his libido to his best advantage. What he employs for cultural purposes he withdraws to a great extent from women and his sexual life; his constant association with men and his dependence upon his relations with them even estrange him from his duties as husband and father; woman finds herself thus forced into the background by the claims of culture and she adopts an inimical attitude towards it.

AGGRESSION AS A PRIMATE INSTINCT.
