I am now going to leave for sail, all the Provisions ordered from Mr. Hares, except the Storeys are on board, and the ship was never under then at present, Invoice and Bill of Lading for the same they will forward you. Have given Mr. Lawton and Pedoe orders to ship the Beef and Butter ordered off them, on the first ship for St. Kitts, as the Sally could not take it. The Bills of Lading to be filled up to me or in my absence to Mr. Smith & Baillie. Hereewith you have the List of Provisions which they reckon great for the time of year. Mr. Law mentioned the affair of the Ruby's Beef to me, and said that Capt. Henderson had a Cogheet of when he left his ship, should have reported the Beef to remain on board; and thinks if that had been done it could not have been seized. Here is Pachetti due so no late Accounts from England.
