Greetings to the "Standard"

It's a long time since our first advertisement with you—about 1924 wasn't it? Since that time the F.J. family has grown somewhat. This picture shows the "Pleasant Hill" side of the family—about 1,000 of them.

Absent when this photo was taken are about 1,250 "relations" in 27 retail stores through four states and various production centres and after-sales factories.

We are all well, thank you, and the family is flourishing and still believes in quality without compromise.

With best wishes,

Fletcher Jones
