DEPARTMENT OF ECONOMIC HISTORY 1956-1974

<b>Creator</b>	University Of Melbourne. Department Of Economic History
<b>Creator's Activity/Occupation</b>	University faculties
<b>Biography:</b> The Department of Economic History was established in the Faculty of Economics and Commerce with the creation of the Chair and appointment of J.A. Nauze, Reader in the History of Economics at the University of Sydney. Of the five new Chairs sought by the Faculty of Economics and Commerce, this was regarded as having the highest priority because the subject was a basic one "in the Commerce course and in the School of Economics (Arts Degree with Honours)" as well as being an optional subject for the B.A. (Ordinary Degree). When in 1955 La Nauze was appointed Ernest Scott Professor of History, he was replaced by Wm. Woodruff. On Woodruff's retirement G.N. Blainey was appointed Professor.
