My dear Mother

I have arrived here
baggage & all quite safe
about two hours - I left
Dublin at 6.30. I sing
- town at 7.30 and arriv
- ed at Holy Head about 12.45
without being in the least
sick. We started from
Dunee at 2.0 clock and
getting an empty carriage
I stretched myself on

the seat and slept
as well as if I was
in my bed tho' I had
only my great coat on
and I arrived in town
this morning at 11.30 -
Rosie does not seem
tired - I saw Uncle
and Aunt and all of
them. They were very
glad to see me. I went
to the square as I was
so near it and saw

Mr & Mrs Manders &
Mrs Baker & Owen for
about 3 minutes as they
were going out and I
only wanted to shake
hands with them -
I hope Papa has cheered
up and you and all
it is all for the best -
They were very kind to
me at Uncle's - I took
Latty to the Exhibition
or rather he took me
I was delighted to be at

I must now wish
Berry Merry & the
to soon bye —

With best love to Papa
Villy and Kate

I am my dear Mother
ever yr fond son
