My dear Mr. May
I have just received your letter of the 15th inst. and am
glad to hear that you are well. I am well and hope
this letter finds you the same. I have been thinking
much of late of the friends who have been taken
from us and of the many who are still suffering
from the effects of the late war. I hope that
all of them will soon be restored to health and
that the friends who have been taken from us
will be able to return to their homes and
to their families. I am, dear Mr. May,
very truly,
Your friend,
J. M. May
