claims that the greatest risk to the young girl is that she will unconsciously prove the male because "they have no sexual urge, no desire for sexual gratification and because of this absence of desire the felt need."

You can give me a cock which I can fire from the hip — but you can't give me what I want.

You can teach me to kill, but I asked only to be allowed to live.

You can give

Dear Educators -

You can let us have a ~~poke~~ cock which we can fire from the hip — but you can't replace what you took away from us.

You can teach us how to kill, and pretend you are teaching us how to live.

You can ramjam all sorts of things into us and think yourself generous.

You can worship at our inner space, and pretend you don't know that it's just a hole in the head.

You can sniff and pliff and pluck us — but you still can give us what we demand.

GIVE US BACK OUR SNIFFY DRIPPY QUESTING LITTLE SNOOTED CUNTS,
GIVE US OUR FLESA AND BLOOD AGAIN.

GIVE US THE CURIOUS CUTORIS and her foaled and folding on us.
