Mr. Geo. Meyer

Harrods June 8 1724

I wrote to you by post last week, & enclosed  
a bill of twenty pounds on Mr. Messrs. Bury London —  
also did write to your friend Mr. Shipway (formerly in your brother's  
young man) to write to you; the last post brought me a  
letter from Mr. Geo. Jones of Barbados; who has shipped  
by the Dove 5 hogheads of sugar; this comes to about 100 lb  
of sugar at market price; if Mr. Walter Bepine has occasion  
I shall be glad to send him; I have money to pay him at fair  
& Michmas; let him have 1/2 of them; I shall be glad to know  
if you are at Barbados; and how it goes at Bristol; in short  
to me when in your country; to leave in your 50 lbs for  
Barbados sugar; I desire you to send me a letter by Robert  
Collard; mine & my wife's service attend you & Mr. Meyer

Yours &c. Hum. Dr. W.  
J. B. Williams

And to let my wife & friend
