Dr Bryant

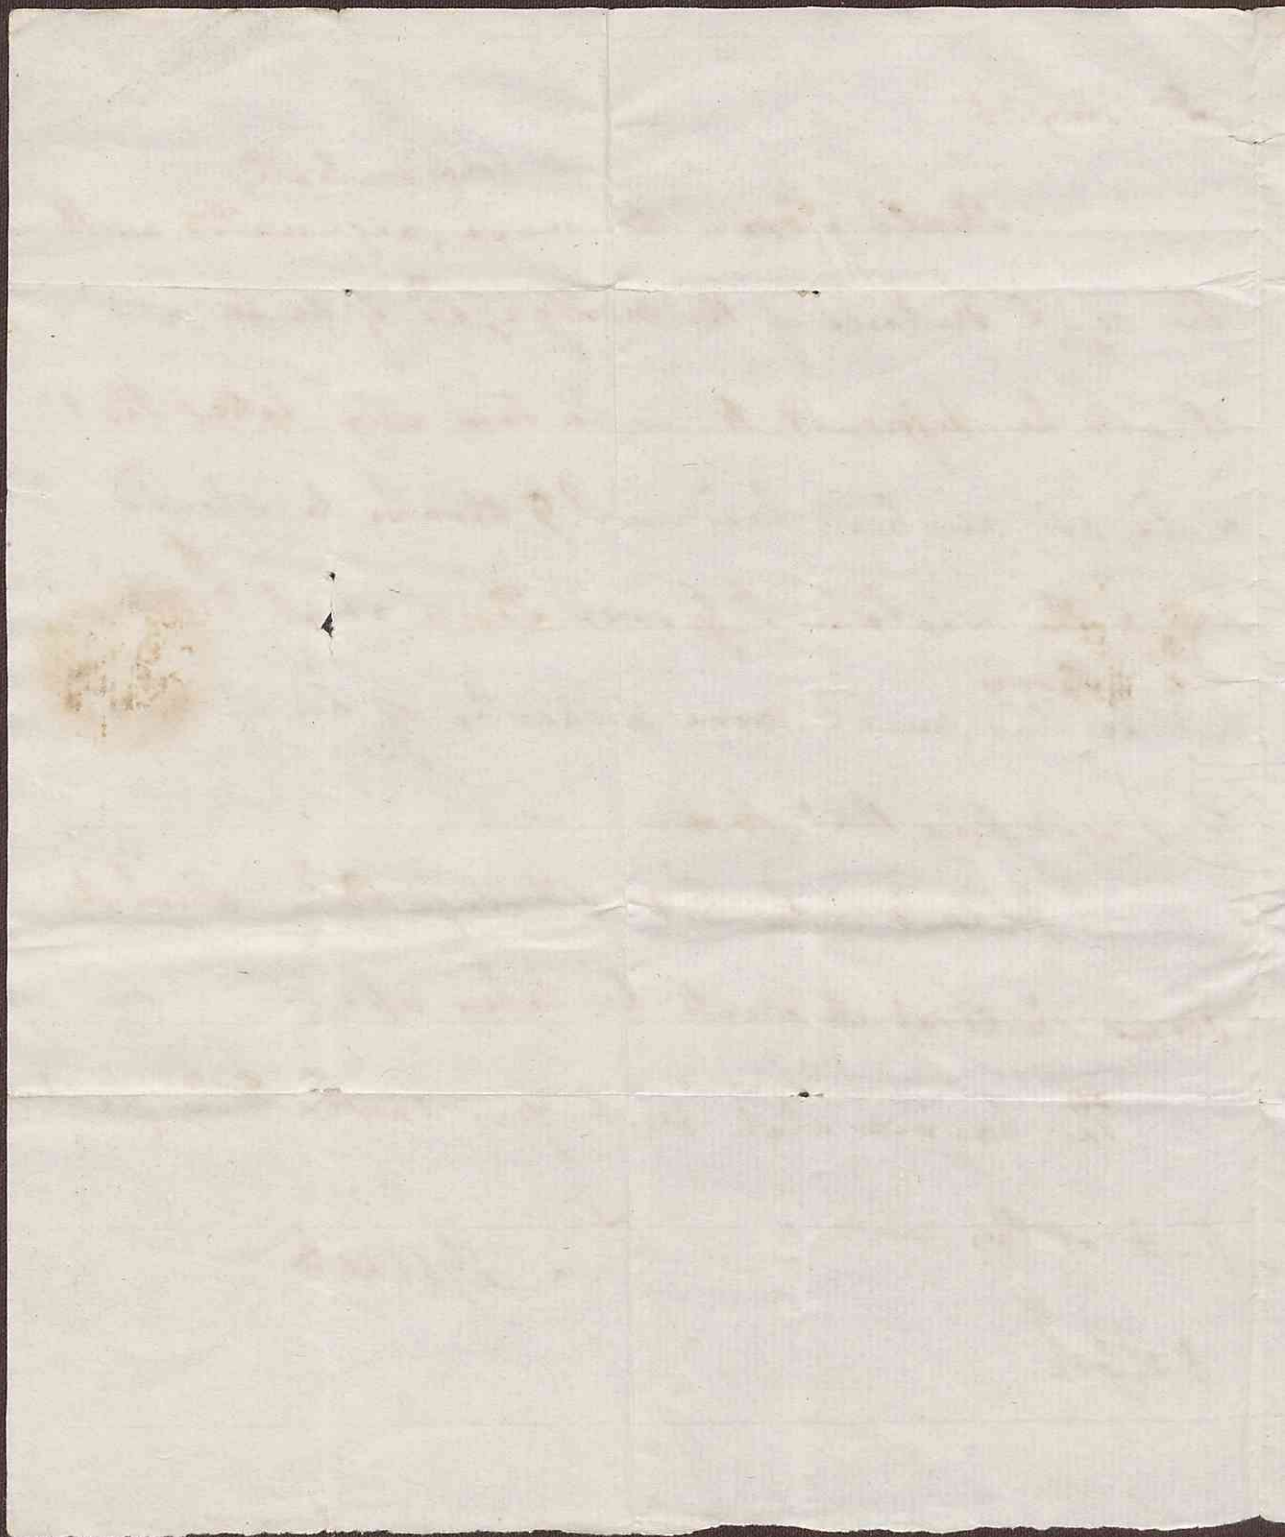

Should Perry be made ^{confidentially} acquainted with
the real nature of the mortgage? if he be not
it will be difficult to write him any letter that
would not mislead him — I.G. thinks he should
know the whole — I.G. owes Perry about 2500
but ^{Perry} he has much more property of his in hand
than will pay that sum —

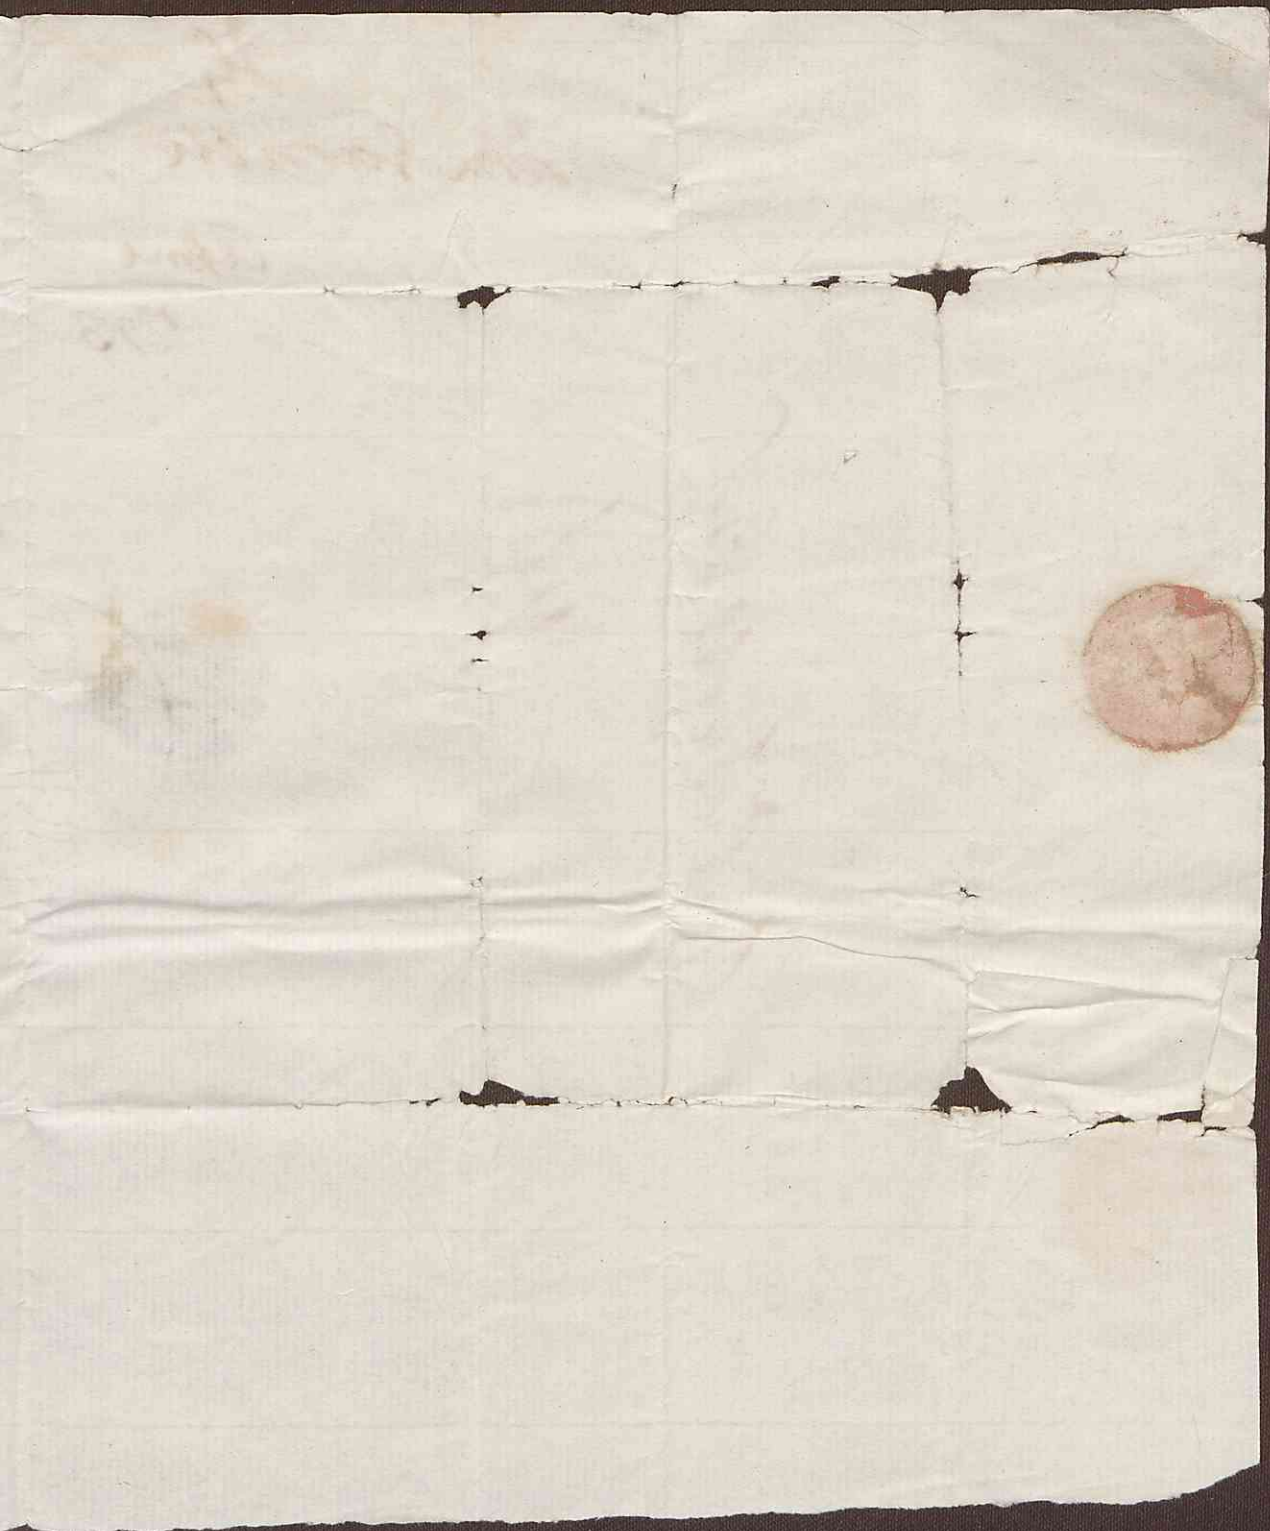

Inclosed is the list of Foreign Oaks — which it
seems should at all events be taken up. —

The Beaver State wait your answer to the first
part of this —
