Dear Randolph

I would have sent you a line in reply to your  
Mem. which I received on Tuesday - but I found when I came that  
the deed had gone to Mr. Salcedo - so late as Sunday or Monday  
I was certain that your money must be all sent off  
in some days - Your Calculator of Interest I think wrong

The Balance due from Mr. Salcedo is ~~£4000~~ with Interest  
to 29 Sept. which may be taken by months - then your  
Calculator of Interest will be right.

The Balance due to you from Mr. Salcedo £3000

7 Months Interest - to 29 Sept

& 29 April 87.10.

This is the sum of course instructions have  
to send Mr. Salcedo for in this I suppose that Mr. Salcedo  
received his 2000 on the 29 Sept it was extremely then  
not be a further interest account to him then the property  
of property tax.

The Bal. of £3082.7.11

that seems to you with of course immediately pay to Ames & Co  
of the Order of an Account - with Sub. - that will be right to  
show debt the £200 would be paid - and on

What an intense of course ~~in~~ will be changed.

An order should then be lodged with them to the  
Tollney Office when Mr. Arthur D. Phelps Dr. Randall  
pay to our Or to the Bearer on Demand & Tellers in  
these have had to our ~~order~~ a sum of ~~the thousand~~ Pounds or  
London in our favor the following sum - making  
the whole Two thousand Pounds the charge 2.

The order for drawn for my signature with the other  
proceeding such may be taken either London or Madrid

I have proposed your writing to the several parties and  
the remittance - to see whether or not Madrid the matter  
as I cannot take my share of it - ~~but it is impossible to mean~~  
~~anything~~

When Mr. Pittman ~~that have found out your hands~~  
~~to be false~~ this sum

I do not exactly understand where the money  
of Eighty Pounds - is drawn - but if it comes exactly one of  
the 10 for the Cheppel it ought to be drawn in - your order  
with some of the transaction from them. Your order - by  
the way the whole transaction will be made - under

I send you back your calculation, which as  
it appears to me correct - and you to compare  
with my statement. And.
