Creator's Historical Note

In April 1966 the Faculty of Architecture and Building agreed on the desirability of curriculum revision and the Curriculum Review Committee presented a policy statement and outlne curriculum to the Faculty in November 1968. This proposal formed the basis for work by a Standing Committee on Course Revision of which Mrs. Tippett, Senior Lecturer in Design appointed for 1969, was a member. The revised course appeared in the Faculty Handbook of 1971. A student evaluation of the revised course was organized at the end of 1971, with the assistance of Dr. Barbara Falk, Director of the Centre of Higher Education.
