HOW DO YOUR TROUSERS STAND UP AGAINST OURS?

This may seem a bit below the belt, but take a good look at your trousers. You'll never get more out of them than the maker put into them in the first place. Which is considerable, if they're Fletcher Jones' Aerodines.

For a start, the fabric, and many of the comfort features, are exclusive to us.

As for the rest, a glance below will show you that nothing has been overlooked. Our Aerodines are everything a man's trousers should be.

They stand alone.

\$55.
Trousers shown.

Co-ordinating blazer. \$108.50

French bearer. Fastens on the inside for slimmer waist appearance. Non-curling waistband, for much the same reason.

Our safety pocket. Hidden, which is the whole idea. Safely contains valuables. Two hip pockets and fob pocket as well.

No other trousers measure up to our 177 sizes. We can fit you, comfortably.

Top-quality Aerodine fabric is woven from fine, triple-twisted, wool-blend yarn. Which means it breathes, so you can.

Without quality trousers like these, no man's wardrobe is complete. Isn't there room in yours?

Permanent creases, to keep your Aerodines looking as good as the day you bought them.

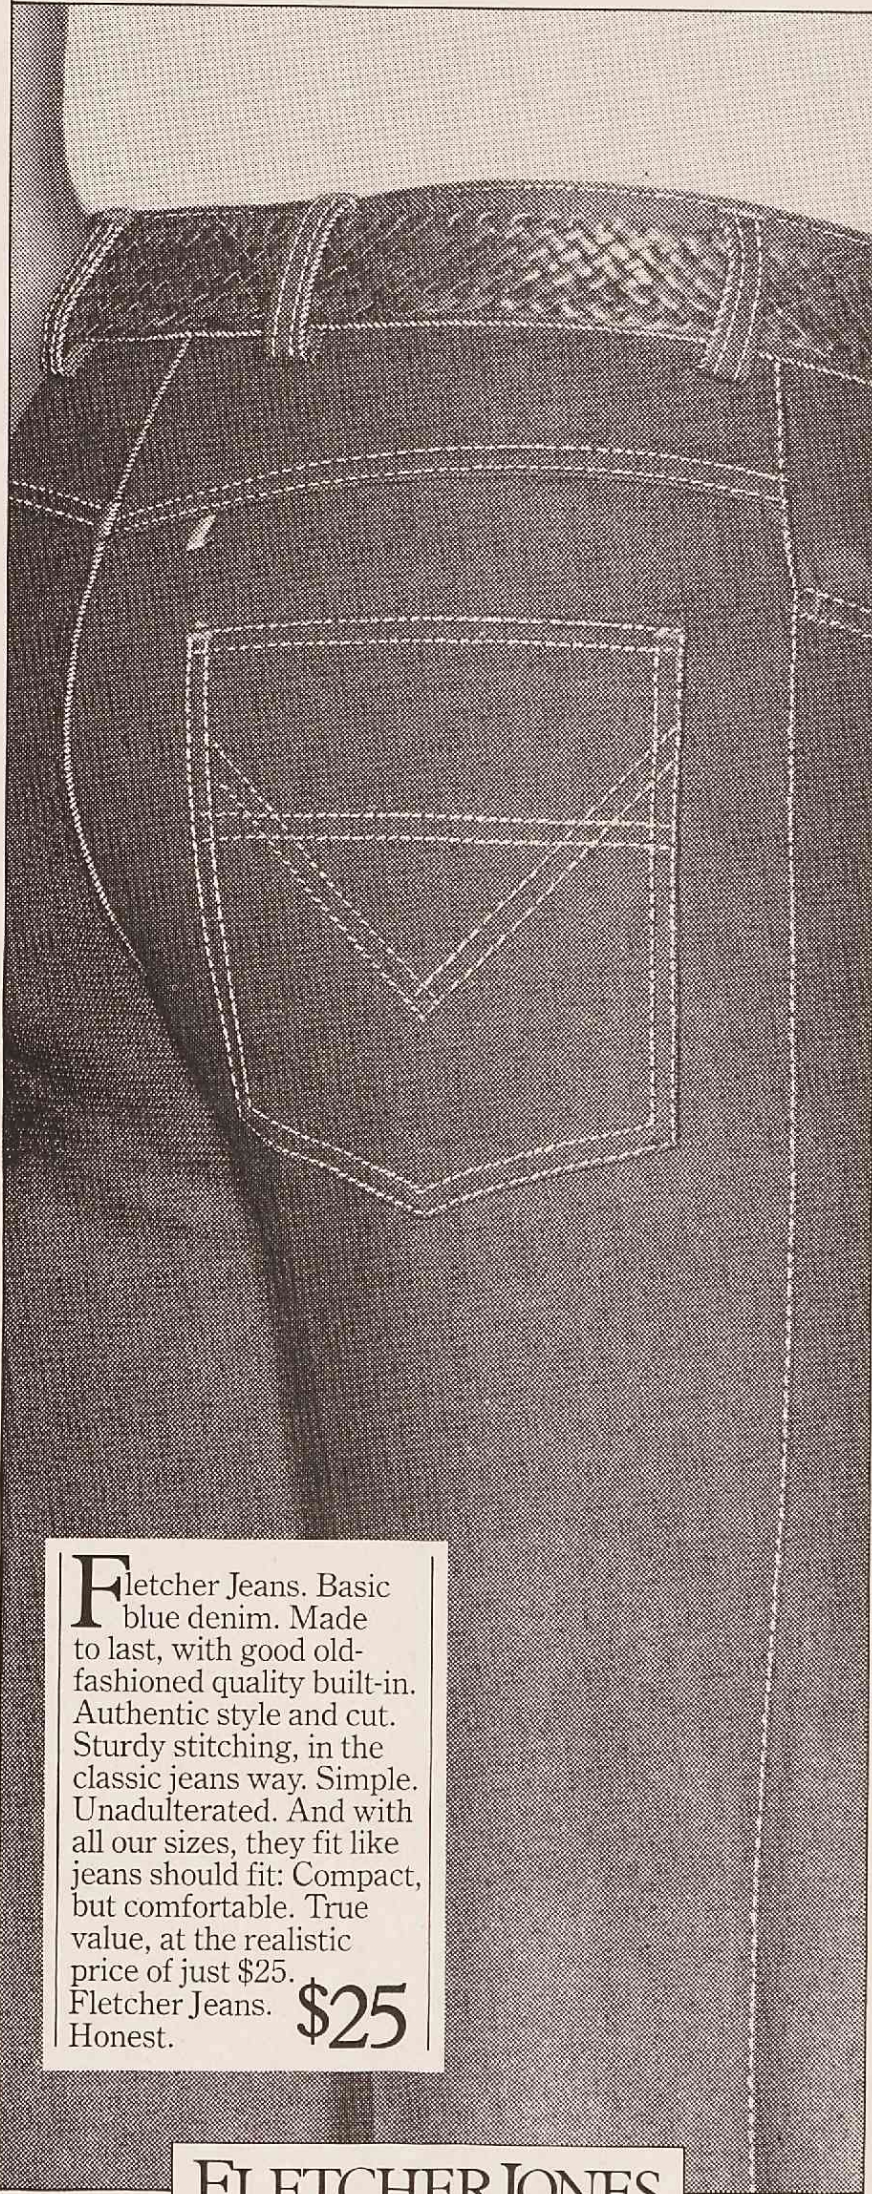

Shoes have a bad habit of fraying cuffs. Our cuff protectors prevent this.
